

H225 Bubble Cockpit Doors

Heli-One offers bubble doors for H225 cockpit. The doors replace normal cockpit doors on LH and RH side without any aircraft modifications. Ideal for longline operation to provide vertical reference to sling load.

QUICK FACTS

- EASA STC by Heli-One
- Approved for aircraft with and without flotation gear
- Well suited for sling load operation
- Easy to change from normal cockpit doors to bubble doors
- Already flying with H225 customers

To always keep you safe and mission-ready while reducing cost of ownership
