

H225 BUBBLE COCKPIT DOORS

Heli-One installs bubble doors for the H225 cockpit. These doors replace the original left-hand and right-hand doors without any additional airframe modification. Bubble doors are ideal for longline operations - providing vertical reference to sling load.

QUICK FACTS:

- EASA STC
- Approved for aircraft with or without flotation gear
- Optimized for sling load operations
- Quick installation
- In operation with H225 aircraft

To always keep you safe and mission-ready while reducing cost of ownership
