**Approval of a Maintenance Policy Manual (MPM) Supplement Amendment – EASA – Aircraft Rated**

Dear Mr. Johannessen,

Following a review of the elements contained in the referenced MPM Supplement Amendment against the requirements of the current agreement on Civil Aviation Safety between Canada and the European Union (EU), Transport Canada confirms approval of your MPM Supplement Amendment. Compliance with your MPM and this supplement allows for acceptance by the European Aviation Safety Agency (EASA) of maintenance performed on EU aeronautical products under the jurisdiction of EASA. This approval does not exceed the scope of your current TCCA CAR 573 certificate.

**Heli-One Canada ULC**

EASA Part-145 Approval Number: EASA 145.7109 valid until 2027-02-01.

Your MPM Supplement Revision 16 dated 2025-02-19 is approved by Transport Canada.

You are reminded that you will be required to submit your next application for continuation in accordance with the Maintenance Annex Guidance (MAG) which is available on the Transport Canada website at:

<http://www.tc.gc.ca/eng/civilaviation/standards/int-ta-menu-3674.htm>

Best regards,

Civil Aviation Safety Inspector, Airworthiness  
Transport Canada  
for the Minister of Transport
